

Dear Colleagues,

ABHP Exam Review Class Registration

The ETCHPS 2016 ABHP Exam Review Class is scheduled to begin on April 29th and continue on most Saturdays through June 17th. The classes will be held on Saturdays at **Roane State Community College - Oak Ridge Campus, Goff Building**. Below is the current schedule. There will 4 CEC's granted for each session (day). For those taking the NRRPT exam in August, this review class would be beneficial. If you would like to volunteer to be a presenter, please contact Scott Byers at sbhaps08@gmail.com.

To register for the course, please go to <http://www.hpschapters.org/etchps/>. There is no cost for the review class, if you are an ETCHPS member; if not a member, the cost is \$20 (membership cost, so by signing up you can become an ETHPS member!). **Please register by April 20th.**

Date	Time	Duration (hrs)	Topic
4/29/2017	8:00 AM	0.5 hr	Course Introduction/Study and Exam Strategies
	8:30 AM	2	Radioactive Decay, Units, & Counting Statistics
	10:30	2	Interactions of radiation with matter (mechanisms of interaction and energy loss)/Detection, Measurement, and instrumentation
5/6/2017	8:00 AM	2	Interactions with radiation with matter (range-energy relationship, absorption, scattering)/shielding
	10:00 AM	2	Internal Dosimetry
5/13/2017	8:00 AM	2	Fuel Cycle
	10:00 AM	2	Research/Power Reactors
5/20/2017	8:00 AM	2	Medical Physics
	10:00 AM	2	Environmental Health Physics
5/27/2017	No Classes - Memorial Day Weekend		
6/3/2017	8:00 AM	2	University Health Physics/Radiation Safety Officer
	10:00 AM	2	Decommissioning Health Physics
6/10/2017	8:00 AM	2	External Dosimetry
	10:00 AM	1	Accelerators
	11:00 AM	1	Non-ionizing radiation
6/17/2017	8:00 AM	2	Standards and Regulations
	10:00 AM	2	Biological Effects of Radiation

Thank you,

Scott A. Byers, CHP
