Member Database

The new member online database has been up and running for several months now. All active members (those who are current with 2006 and/or 2007 dues) should have received an email alerting you that your name and email have been added to the database and you have been approved for membership. You will need to login to verify/update your information using the username listed in the email along with your old website login password. If you forgot your old password, click on the 'Forgot your password?' tab on the member database login screen and an email will be sent to you. If you cannot log-in please email Erika Bailey (baileri@aol.com).

I apologize for the repetition - however, several members still do not have an online account. If you are a member and do not have an online account - please go to the [New Member Online Application Link](#) and fill out a new application. Even though technically you are already a member, this is the only way to be added to the new online database. Once you do this you will begin receiving all newsletter and meeting notices by email. If you are not receiving announcements by email then you most likely do not have an online account.

If you are not currently an active member, you can pay your dues and become active quite easily...

Dues Information

The chapter requests that all dues be paid by March 31st of each year - please send them in immediately if you are past due.

Emails have been sent to past due members (that is if the Secretary had your email address). If you are unsure if you have paid your dues, please email the chapter Secretary [Erika Bailey](#).

At this time please pay dues via check.

To send in your dues via the USPS, please make your check payable to: ETCHPS, and address your envelope to:
