NCHPS has meetings in the spring and fall, alternating between eastern and western North Carolina. Our meetings are well attended by the membership. Recent meetings have averaged over 100 in attendance. This spring meeting will be a joint venture between the two chapters. The attendees at our meetings are made up of radiation safety professionals from government, university, medical, nuclear power, research labs, as well as general industry.

Please let me know as soon as possible if you plan to be a vendor at our meeting as space is limited and will be reserved on a first response basis.

The affiliate vendor fee is \$250 (\$300 for non affiliates) and provides admission for up to two people, recognition on the program, introductions during the meeting, a display table and buffet dinner on Thursday.

Although not required, we do request that each vendor bring a cap, shirt, or other small item imprinted with their company logo to serve as a door prize. Please let me know if you have any questions, or need any more information.
