

2011 RGC HPS Spring Technical Meeting

Monday, April 11, 2011

Lovelace Respiratory Research Institute
2425 Ridgecrest Dr. SE, Albuquerque, NM 87108

Registration: 8:30 am

Meeting Start: 9:00 am

REGISTRATION FEE: \$40 (\$20 Students)

Mark your calendars! The Rio Grande Chapter of the Health Physics Society has been actively planning its Spring Technical Meeting. The 2011 Spring Technical Meeting is scheduled for Monday, April 11, 2011 in Albuquerque. Our host this year will be Lovelace Respiratory Research Institute. The RGC HPS Spring Technical Meeting is a great opportunity to connect with one of the nation's premier health physics communities.

There is no specific topic for this year's meeting as we are interested in learning what is going on with our colleagues. We encourage everyone to submit an abstract for a paper or poster. Electronic projection equipment will be provided. Please submit your abstract to Elaine Marshall (address on registration form) no later than April 1.

We have invited speakers from the State of New Mexico to address the group, talking about changes within the state organization and the state's response in a radiological emergency. We have also asked Albuquerque Police Department to participate and provide their input as a Local Law Enforcement Agency within the context of Increased Controls.

The response from our affiliates has been encouraging – with confirmations already from Bladewerx, Mirion Technologies, and UniTech. Our other affiliates (Philotechnics, Canberra, Ludlum and ThermoFisher) have given tentative confirmations.

Registration fee is \$40/person with students at \$20/student. Registrations must be received no later than Wednesday, April 6. Payment may be made at the meeting. As lunch and refreshments are being provided, if you are unable to attend at the last minute, you are still responsible for payment.

Are your RGC HPS dues paid? Annual dues are \$15 and can be paid when you register. Those who attended the 2010 Fall Dinner Meeting are current.

RGC HPS will provide documentation of attendance for those CHPs needing 8 hours of CECs.
