

REFERENCE: Eighteenth Annual J. Newell Stannard Lecture Series,
"Excellence In Radiation Protection", April 28, 2010

Dear Sponsor,

The Eighteenth Annual J. Newell Stannard Lecture Series will be a meeting of both the Sierra Nevada and the Northern California Chapters of the Health Physics Society and will be held once again at the Courtyard by Marriott next to the University of California Davis Medical Center in Sacramento, California on Wednesday, April 28, 2010. The meeting has enjoyed increasing success and we anticipate more than 70 radiation protection professionals will attend.

We are offering sponsorship to your firm. Sponsorship has been set at \$300 and includes space for an exhibit (a table approximately 8 feet by 2 feet), continental breakfast, two breaks, lunch and attendance at the technical sessions. Each sponsor will be given the opportunity to address the audience for 3 minutes to highlight their products/services prior to the first break in the morning.

Should your firm wish to be a Sponsor of the Eighteenth Annual J. Newell Stannard Lecture Series, please send a check made out to the Sierra Nevada Chapter of the Health Physics Society and a completed Sponsor Registration form to the address listed below. We would appreciate your response by March 31, 2010.

Thank you for your support.

Sincerely,

Linda

Linda Kroger, Program Co-Chair
